

What do restaurant gift certificates, a personal yoga session, concert tickets and an energy healing session have in common?

They are all prizes for completing the DFMCH ReCHARGED strategic planning survey....and they have all been donated by Department of Family Medicine faculty and staff!

To be entered in the prize drawing, all you have to do is fill out the ReCHARGED survey! This survey asks questions about the mission, vision and operations at the Department of Family Medicine. We will raffle prizes every other day while the survey is open (February 24 – March 20). Everyone who has completed the survey will be entered each time. The earlier you fill out the survey, the more chances you have to win!
