

DFM Strategic Planning Weekly Update - DFMCH ReCHARGED
12/4/14

We are pleased to announce that the DFM strategic planning process has a name!

UW DFMCH ReCHARGED

DFMCH (Department of Family Medicine and Community Health pending department name change)

Re-Research

C-Community Health

H-Health Care Excellence

A-Affiliated Programs

R-Regional Sites

G-Global presence

E-Education

D-Department core administration and staff

Congratulations to Melissa Stiles for submitting the winning name! This name captures the spirit of DFM and the energy of the strategic planning process. We are committed to excellence in clinical care, community health, education and research across our sites and within our programs in the state of Wisconsin and are committed to sharing our knowledge/research beyond the boundaries of Wisconsin.

Look for more information on ways that you can be involved soon!
