

White Hat Thinking

Facts only Facts

4. What information is missing?

"We don't know why...or how...or what..."

White Hat Thinking

Facts only Facts

4. What are our sources for getting missing information:

“We could / We need to ask....”

Yellow Hat Thinking The Ideal

Your ideal team : Value & Benefits

3- 4 Guidelines that will make you a higher
functioning team? Specific & Measurable

Red Hat

Intuition, hunches, feelings, and emotions have a high value as “ingredients” in thinking/making decisions.

So, what are they, right now? And what do you need moving forward?

Black Hat Thinking

Scanning for potential problems

The Pre-Mortem

What are the potential problems that may arise?

-Pitfalls

-Hurdles

-Potholes

That may await you so you can strategically deal with the anticipated problems

Organizational politics * Organizational Culture* Communication
*Resources *Priorities* Geography* People

Green Hat Thinking

Possibility*Creativity*Solutions

“We need to think of other ways to do this. Put on your Green Hats.”

“This is a difficult situation. Let’s spend three minutes using the Green Hat. Jot down your ideas individually. Then we’ll see what we’ve come up with.”

“Here’s one alternative: We couldWhat are other options?”

Blue Hat Thinking Next Steps

Begin to get organized to stay on track. This means:

1. Determine the Calendar: *A realistic schedule for meeting & planning*
2. Identify initial Tasks: *First steps*
3. Create an Action Matrix: *Who? What? By When?*
