

\*\*\*DFM Strategy Planning Weekly Update\*\*\* - Timeline Overview

We want to give an overview of the timeline of events for the DFM strategic planning process. This is our understanding at this point in time. The specific details may change as determined by the Steering Group and as the process progresses.

- **Initial Planning** : July-October 2014
- **Formation and Training of the Steering Group**: September-October 2014
- **Data Gathering and Engagement to revisit mission and values**: November 2014-January 2015
- **Opportunities Conferences to identify 8-10 priority areas**: February 2015
- **Blue Sky Conference to hear best practices and innovative ideas from outside DFM**: March 2015
- **Task Forces develop proposals for 8-10 priority areas**: April-May 2015
- **Vision Conferences to develop first draft of strategic plan**: May-June 2015
- **Action Planning**: July-September 2015
- **Implementation and Ongoing Reporting**: Fall 2015 & beyond

We have recorded a 10 minute presentation that explains this process in more detail:

<https://inside.fammed.wisc.edu/strategic-planning> There will be Kickoff presentations at Alumni Hall next week on Wednesday, October 29<sup>th</sup> from 1-2pm and Friday, October 31<sup>st</sup> from 10-11am. Clinic Managers and Medical Directors will receive more information and will be rolling out the presentation at clinics over the next month.

Please submit any questions through our online form <https://inside.fammed.wisc.edu/ask-dfm-leadership> or by emailing us. We look forward to hearing from you!

Best,

Beth Potter and Robin Lankton
