

A TIME TO IMAGINE THE POSSIBILITIES

DFMCH ReCHARGED: Blue Sky II

Join us as we continue the conversation around imagining the possibilities for the future of the Department of Family Medicine and Community Health. This exciting statewide meeting will feature time to hear from our speaker and to ask questions using Poll Everywhere or Twitter. Details are below about how to submit your questions. Contact Kim Jansen kim.jansen@fammed.wisc.edu to arrange videoconferencing or phone conferencing for your site.

Blue Sky II: Focus on Community Health

Friday, May 1, 2015 12:30-1:30pm

Statewide Videoconference

Sharon Adams, MSW, Program Director and Co-Founder of Walnut Way Conservation Corporation in Milwaukee, WI

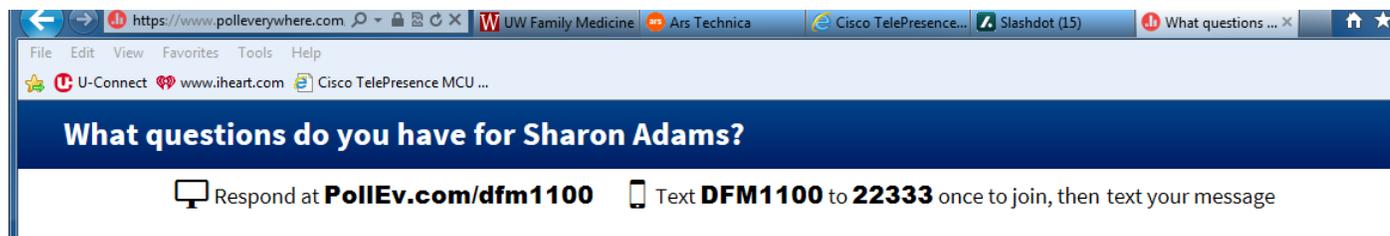

Sharon Adams is a change agent. Since founding Walnut Way Conservation Corp in 1998, she and her husband, Larry Adams, have been the stimulus behind the changes witnessed in Milwaukee's Walnut Street, North Avenue, Fond du Lac Avenue corridor, including revitalization that has resulted in \$26 million invested for over 200 new home constructions and restored vintage houses. How to Submit Questions during Blue Sky II

1. Poll Everywhere

Submit questions through the Poll Everywhere website PollEv.com/dfm1100 or by texting 22333 with DFM1100 in the message. Once you join, you can text your question.

This technology is open for testing from April 17th-30th. Feel free to practice!

-OR-

2. Twitter

You can tweet your questions during the videoconference using the hashtag #BlueSky2. Anyone from your site can tweet to submit a question. Be sure to include #BlueSky2 at the end of your question so we can find it! Follow @DFMCH_ReCHARGED to stay current on what's happening with the DFM Strategic Planning initiative.

New to Twitter?

You will need to create an account to submit questions or identify someone at your site who already has a Twitter account. Step-by-step instructions are available [online](#). Steps 2 and 3 explain how to tweet and use a hashtag. The [Twitter glossary](#) can also help you learn Twitter terminology.

Questions about the technology? Contact Chester Small chester.small@fammed.wisc.edu 608-265-5869.
