

## **DFMCH ReCHARGED: Where are we and what comes next?**

Are you wondering what's going on with the strategic planning process and what happens next? If so, you are not alone! We've received questions about how the process works and how all of these different events will help us create a strategic plan for DFMCH.

The ReCHARGED Steering Group created a five-minute video to explain what's already been done and what is involved in the rest of the process. Watch it [here](#)!

The [ReCHARGED website](#) is also a great resource. Visit to find:

- A timeline and overview of events
- Videos and written summaries of Blue Sky I, III, and III
- Copies of the proposals that came out of the Opportunities Conference
- Archive of the email updates

You'll be hearing more next week about the Task Forces that are being formed in response to key operational issues from the data gathering surveys and the Opportunities Conference. Until then, make sure you're up to speed on what's been done already and where we are headed!
