

How to use ConferenceMe

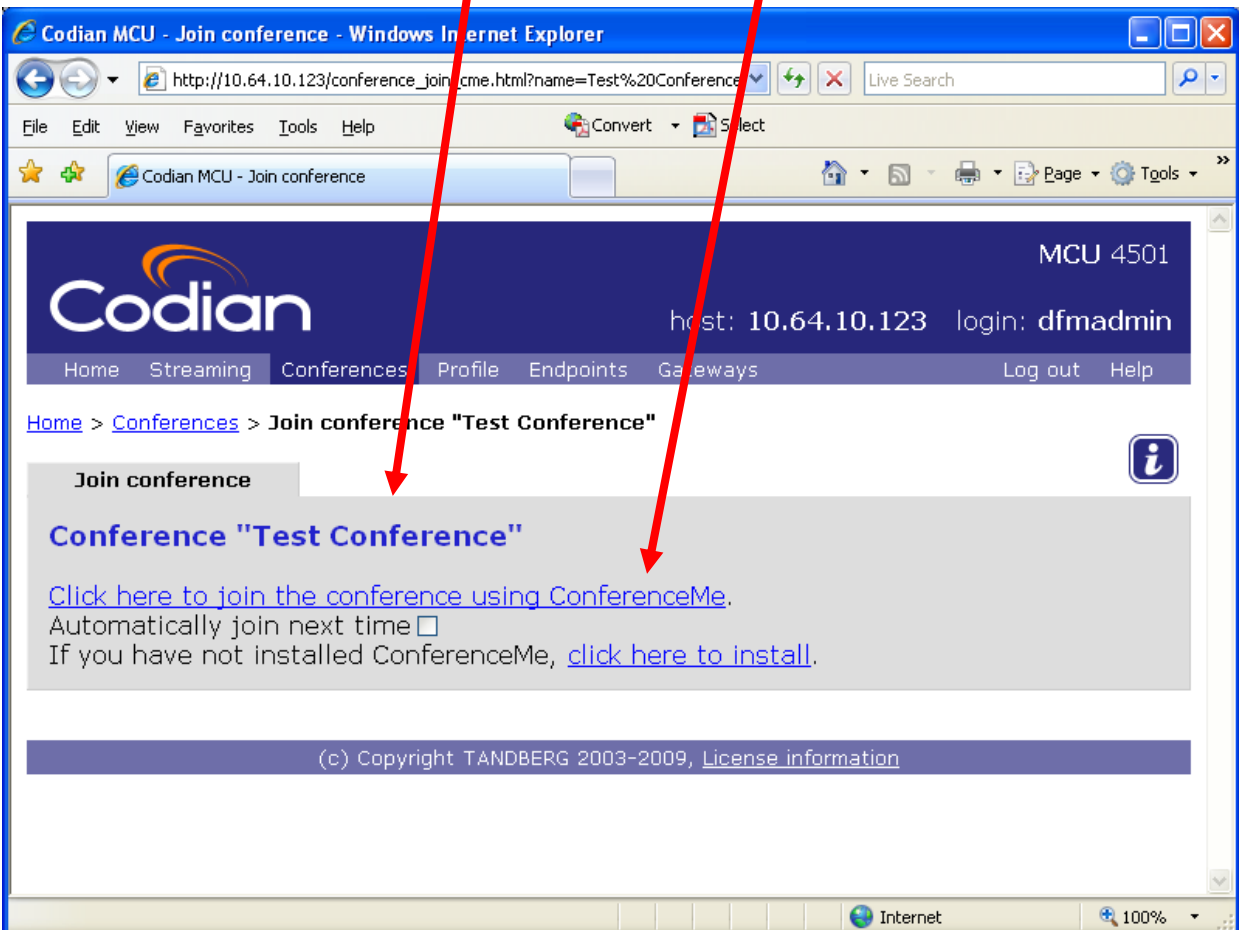

If you are to participate in a video conference with any DFM Site, you will receive an email with a link

Click on this link

Your conference name will be here

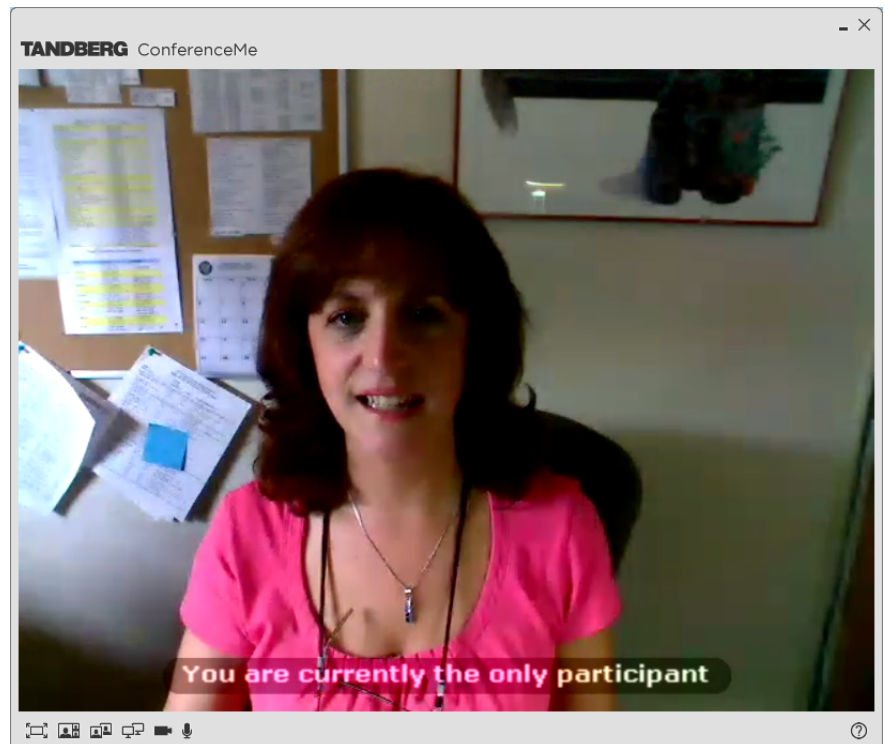

Click here to join your conference

ConferenceMe software will load and start up your webcam

You will be connected to your meeting

Here is what the buttons on the bottom of the screen can do for you:

					
Toggle to full screen view and back	Change display layout (several options)	Change to next participant	Send your desktop to other sites	Mute your video	Mute your audio

To disconnect, click the close button (X)
