

New Citrix Interface

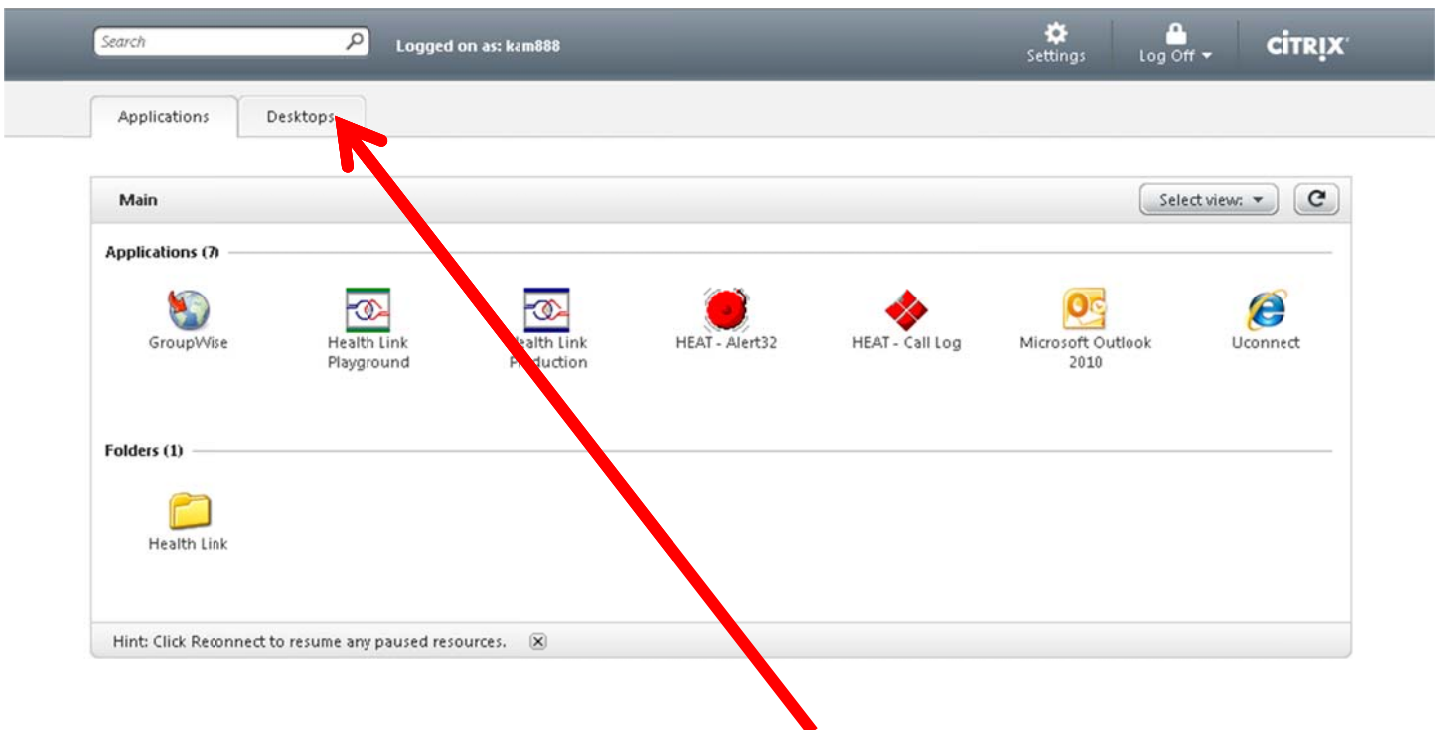

You may have noticed that there is a new look to the UWMF Citrix window. It has recently been upgraded to provide more functionality.

Go to: citrix.uwmf.wisc.edu

Here is the new log in screen
Type in your usual username and
password and click Log On

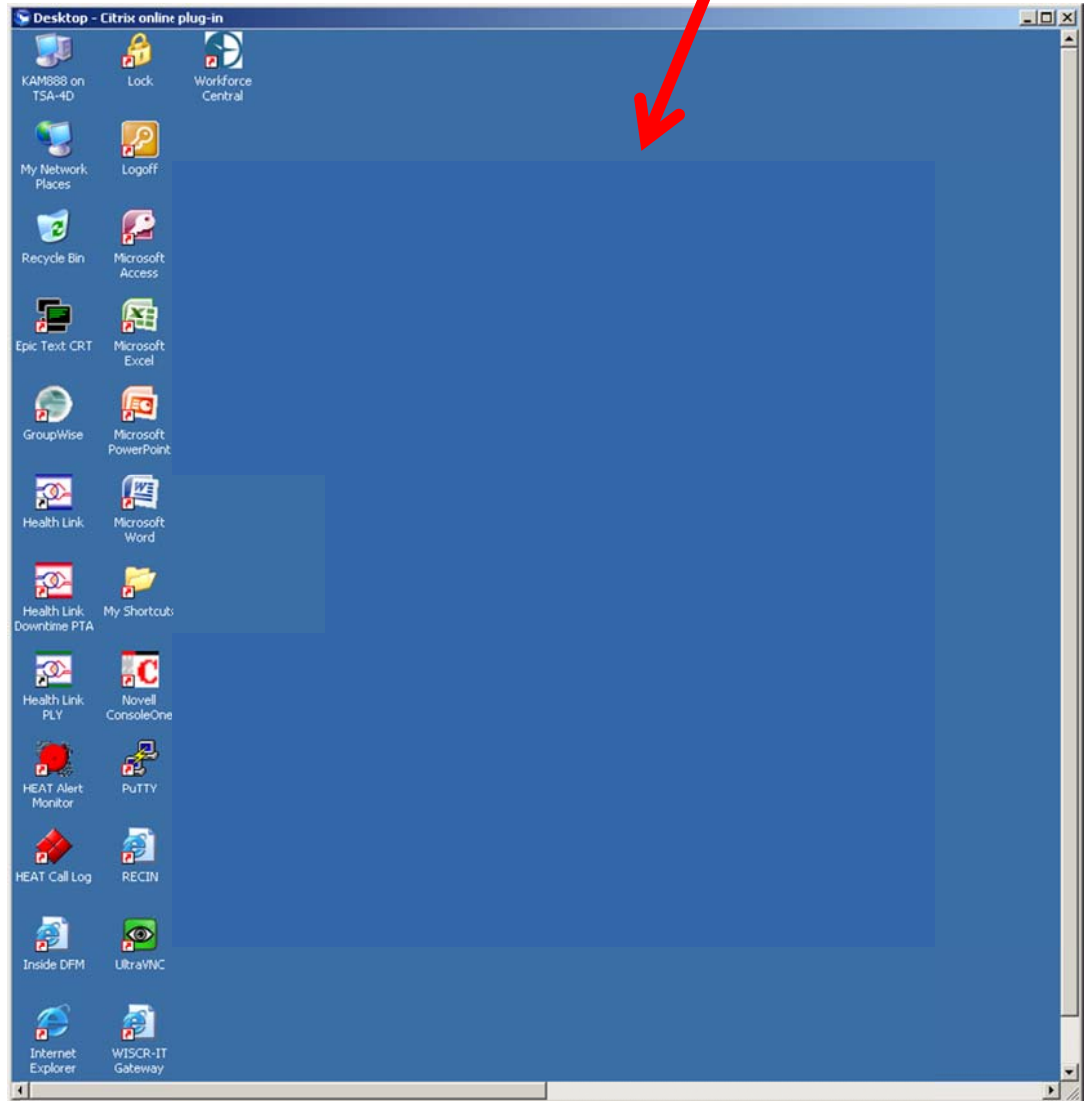

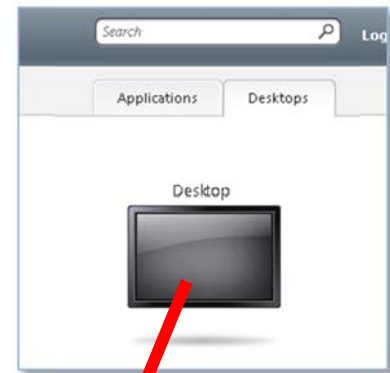

Here is the new interface. You can launch applications directly from this screen for easy, quick access to email, HealthLink or Uconnect.

To access the more familiar Citrix desktop, click here

You will see a link to access your Citrix desktop

Click the "monitor" and your desktop will open as usual

When you're finished, return to main screen and log off
